Versatile resistance

THERABAND® Professional Non-Latex Resistance Tubing

Ideal solution for upper and lower body
resistance training and rehabilitation

Six progressive, color-coded resistance levels
along with premium accessories to simplify use

Proven Science, Trusted Performance.

THERABAND® Professional Non-Latex Tubing provides identical performance to our latex tubing without the risk of latex allergies.

Premium Non-Latex* Formula

Synthetic material provides added durability with familiar stretch and recovery

Made in the U.S.A.

Proudly made in the USA, the unique formulation incorporates our Trusted Progression System of consistent pull force ranges and six THERABAND® color coded resistance levels from Yellow (3lbs/1.3kg) to Silver (10.2lbs/4.6kg).

Packaging

Economical bulk tubing in one continuous 100 ft./30.5m length. Easily dispense from box and cut to length.

Tubing Accessories

Safe and secure non-latex handles and anchor points

“Cinch” attachment points make it easy to alternate between resistance levels without the need to tie knots

Sports Handle

Long 12"/30.5cm soft grip handle allows two-handed use with multiple attachment points.

Exercise Handles

(Pair of two) Easy and secure soft grip handles.

Extremity Strap

(Pair of two) Hook and Loop cuff wraps easily around ankles or wrists for a secure attachment point.

Assist Strap

Versatile double loop strap (no Cinch attachment point) can be secured around sturdy objects or extremities to assist those with poor grip strength.

Door Anchor

Secure tubing to any point along the frame of a standard door for upper and lower body workouts.

Accessories Kit

Complete kit with Door Anchor, an Assist Strap and two Exercise Handles
